- To purchase CDs from A2 Records, please download and complete our order form. Enter the catalogue number and CD title, select the appropriate price from the list and fill in the price per item and the carriage alongside.
- List each CD you wish to purchase in a similar manner, total each column and add them together. If you are buying more than one copy, enter the number of copies and the combined price in the appropriate box.
- Enter your details and the address to which the CDs are to be despatched.
- Do not forget to enclose complete payment for the goods you have ordered.

When you order goods from A2 Records to be delivered outside the United Kingdom, you may be subject to import duties and taxes which are levied once the package reaches your country.

Customs policies vary widely from country to country, so you should contact your local customs office for further information.

Any additional charges for clearance through customs must be borne by you. A2 Records has no control over these charges and we cannot predict what they may be.

In addition, you should note that when you order from A2 Records, you are considered the importer of these goods and must comply with all laws and regulations of the country in which you are receiving them.
